

CURATOR'S REPORT

1974 - 75

Celebration of 60th Anniversary May, 1974. This was held in our hall by entertaining other neighbouring Institutes by a program put on by our present members. A few times we had some senior citizens at our meetings. These women had in their earlier days lived in our community but are now living at a senior citizen home, Lee Manor, in Owen Sound.

Volume 1 of Tweedsmuir History Book is microfilmed in Provincial Archives in Toronto. A second volume has been started.
