

Back To The Late 1800s Here

It was back to the past century here on Wednesday as the Museum tea reception committee, Mrs. R. W. Menzies, chairman of the museum committee, on the left, Mrs. Fred Moyer, president West Grey District of the Women's Insti-

tute, Mrs. Wilson Johnson, president of North Grey and Miss Katharine Buchan, hostess welcome the guests on Wednesday afternoon at the north entrance to Buchan Manor on the occasion of the annual Museum Tea.—Sun-Times Staff Photo.

Mrs. Harold Cesar of Leith, Mrs. Belrose and Mrs. Gordon Bothwell find the quaint old baby buggy amusing with the large bobbing parasol and life-like occupant. They were as-

sisting with the Museum Tea. Institute members from all over the county shared in the plans for this annual event.—Sun-Times Staff Photo.
