

M. S. Chi-Chee-maun (Ojibway Translation for Big Canoe)
This beautiful ferry boat was built in the ship-yards of Collingwood. It operates between Tobermory on the Bruce Peninsula to South Bay Mouth on the Manitoulin Island. It commenced operation on Sept. 29, 1974. It will accommodate 500 passengers and 113 cars including mobile homes, trucks, buses and travel trailers. Many people in this vicinity were on this boat when it made its maiden voyage.
