

MEDIA RELEASE

Let's try this again..... "Bluewater Garage" move to Grey Roots: 9 am Thursday, November 10th, 2005

Barring more wind storms and Hydro interruptions.....please join us at the former Grey County Museum site, behind the Grey County Administration building, just off of 6th Street, on Thursday morning at 9 am, as we begin to bring our period buildings home. The Bluewater Garage is the first building to be moved to our new home.

Moving our Period Buildings home would not be possible without the support of:

- Lyle Love, Doug Hubbell, Jack Schenk and the members of the Fundraising Committee;
- Grant Diemert Architect; Henderson Paddon & Associates; Gamsby and Mannerow;
- Harold Sutherland Construction; E.C. King Contracting (Miller Group); Robert F. King Excavating; G.B.L. Construction Inc; Porter Concrete Contracting; George Sword and Wilmer Beckett.

At this time we would like to recognise Tony Errser, owner of Canadian Tire who has generously donated funds to be used specifically for moving the Bluewater Garage. The garage is being moved by Ivan Weatherall General Contracting, of Duntroon, Ontario. We are expecting the move will take four hours, arriving at Grey Roots around 1 pm, barring any difficulties!

Come celebrate this move with us! We extend an open invitation to members, volunteers, friends and neighbours, to join us at 9 am as the Garage begins its journey.
