

MEDIA RELEASE

**Three Period Buildings to be moved home:
9 am Tuesday, March 21st, 2006.**

Please join us at the former Grey County Museum site, behind the Grey County Administration building, just off of 6th Street, Tuesday morning at 9 am, as three more period buildings begin their move to Grey Roots: the Log Cabin, the Log House and the Stable.

Moving our Period Buildings home would not be possible without tremendous community support and the efforts of our Fundraising Committee! We expect the building move to take approximately five hours.

**Unveiling of Period Village Model:
2 pm Tuesday, March 21st at Grey Roots.**

Please join us at Grey Roots for the unveiling of our Period Village Model! Constructed by Dr. Bob Greenberg, this beautifully detailed model offers viewers the opportunity to envision the Period Village at its completion. Look closely and you will see railway tracks, people in costume, an old Model T, horses and buggies.
Come glimpse the future!

We extend an open invitation to members, volunteers, friends and neighbours, to join us for both events. Refreshments will be served at Grey Roots at the unveiling.
