

## MEDIA RELEASE

***"Dinosaurs and Company" Exhibit Opening at Grey Roots:  
1-3 pm Saturday, May 20th, 2006.***

Finally, an exhibit for kids and guess what - no one will say "DON'T TOUCH!"

This exhibit comes to us from the Sherbrooke Museum of Science and Nature in Quebec.

It is an exhibit totally designed for kids! Everything in it is meant to be touched and there are five activity stations. Climb into the dinosaur nest. Play with the eggs and the baby dinosaurs! This Saturday is a special day to visit Grey Roots because: We'll eat Dinosaur snacks, drink swamp water, watch dinosaur movies, make some dinosaur arts and crafts, meet John Bindon, famed Dinosaur artist who will be signing his prints and if that isn't enough fun, get your picture taken with 'Ty', our Tyrannosaurus Rex. We'll email you the picture to as a reminder of your visit.

Regular admission rates apply - \$6 adult. \$3.50 child. \$18. Family or purchase a family membership for \$60 which allows your family to come back again and again. A membership provides a 10% discount in the gift shop and on KidsCamp and PD Day programs. Members also receive a quarterly newsletter and complimentary invitations to all special events and openings. Grey Roots also hosts a special member's day! New members will be entered into our draw for a fantastic Dinosaur package - a framed art print by John Bindon, an exquisite dinosaur pop-up book, two family passes, five awesome little dinosaur figurines and a Bindon dinosaur T-shirt. Draw to be made October 1st upon closing of exhibit.

Come celebrate with us!
