

**Grey Roots invites the community to become part of the museum and Heritage Village through volunteering**

**For Immediate Release – November 19, 2007**

Opportunities to make friends, learn new skills, and even become a pioneer in the Heritage Village await volunteers of all ages at Grey Roots Museum & Archives. The local community is invited to learn about current and upcoming volunteering opportunities at the **Volunteer Awareness Afternoon on November 25<sup>th</sup>, 2007 from 1 p.m – 2:30 p.m** at Grey Roots.

The new volunteer program, which outlines the positions and skills needed in the museum and Heritage Village, will be presented at the afternoon session. Volunteer positions exist in the Archives, children's programming (such as Summer KidsCamp), gardening or demonstrating in the Village, and greeting visitors, just to name a few. Attendees will also learn about the many benefits of volunteering at Grey Roots.

Included with the presentation will be a full facility tour (featuring behind-the-scenes areas!), and a screening of the film, *Polar Express*, in the Grey Roots Theatre. Light refreshments will be provided.

Participants are asked to R.S.V.P. by calling 519-376-3690, ex. 107.

**About Grey Roots Museum & Archives:**

Grey Roots Museum & Archives has grown and developed into a unique facility

from the County Museum's beginning in 1955 and the later establishment of a County Archives in 2000 in order to promote and preserve the heritage of Grey County. With the consolidation of the Grey County Museum, Grey County Archives, and Tourism in 2005, Grey Roots has become a multi-faceted attraction. Innovative and informative interpretive programs and demonstrations, rotating exhibits, a heritage village, archival resources and superior customer service come together to create an exciting and educational visitor experience.
